

**CLASSIC** is **MundiWare** Advertisement Solution based on InDesign CS3.

**CLASSIC** provides a WYSIWYG ad booking and automatic placement of liners, ROPs and filler on the page.

Specifically conceived for small and medium sized newspapers, **CLASSIC** runs on standard PCs, so that it does not require expensive and complex hardware.

Through friendly interfaces that join practicality and solidity, **CLASSIC** modules automate several phases of the ad production, such as customer identification, ad booking, ad make-up,

**CLASSIC**  
Ad Management System

Main modules are:

**AD BOOK**  
**AD MAKE-UP**  
**AD LAYOUT**  
**AD REPORT**  
**AD MANAGE**  
**AD SYNC**  
**AD INVOICE**  
**AD PRODUCE**

We believe that **MundiWare's** success is the result of the expertise of its professionals and the strong sense of partnership established with its customers.
